Darkness

https://st3veyogi.wordpress.com/2024/09/09/darkness/

Life is a slaptick dramedy,
a cruel obstacle race with a fatal destiny.

Gloomy days, dark dark nights.

Trouble here,
problems there,
issues everywhere...

And there is nothing you can do about it.
Just accept it!

Chaos, the new order.

In the kingdom of darkness,
turbulence rises with a mighty roar.

Black out, a kingdom reborn.
Mystery and fear, fierce and raw.
